

Adams Read & Hocking Funeral Directors Ltd

DIRECT CREMATION

A direct cremation is a cremation with no service or ceremony and no attendees. The service we provide is carried out with care and dignity and allows for the deceased to be brought into our care, the cremation and paperwork arranged and the cremation carried out at an appropriate date and time. It is the most affordable option for cremation and is perfect for those who prefer a simple farewell.

All the essential elements are included in the package detailed below.
